O first-created beam

Newburgh Hamilton
(1691–1761)

Samson 1.16

Georg Friedrich Händel
(1685-1759)

A tempo ordinario

Alto I & II

Tenor

Bass

and thou, great word, and thou, great word,

and light was over all, and light, and light was over all.

Let there be light!

and thou, great word, and thou, great word,

and light was over all, and light, and light was over all.

Let there be light!

and thou, great word, and thou, great word,

and light was over all, and light, and light was over all.

Let there be light!

and thou, great word, and thou, great word,

and light was over all, and light, and light was over all.
Let there be light! and light was over all, and light, and light was over all, and light, and light was over all; light was over all, over all, and light was over all; light was over all, over all, and light was over all; light was over all, over all, and light was over all;

One heav'ny blaze shone round this earth'ly ball, shone round this earth'ly ball, One heav'ny blaze shone round this earth'ly ball, shone round this earth'ly ball, One heav'ny blaze shone round this earth'ly ball, shone round this earth'ly ball, One heav'ny blaze shone round this earth'ly ball, shone round this earth'ly ball,
Samson 1.16 - O first-created beam

S. 31

To Thy dark servant, to Thy dark servant life by light afford;

A.I&II

T. 36

To Thy dark servant, to Thy dark servant life by light afford;
